

Refuse to be a Victim ---

--- a seminar **FOR** women

--- **BY** women

--- **WITH** women

TUESDAY, March 23, 2010

7-10 p.m.

Millions of citizens are victimized annually by personal theft, violence, and property crimes. Women are frequently targets of this kind of crime. **You** do not need to be a statistic. **You can choose to *refuse to be a victim!***

The single most important factor in surviving criminal attack is to have a safety strategy **before** you need it. Now, through a three-hour confidential seminar called **Refuse To Be A Victim[®]**, women can learn personal safety tips and techniques we need to avoid dangerous situations -- and avoid becoming a victim.

Our NRA-sanctioned **Refuse To Be A Victim[®]** seminar promotes awareness and prevention of criminal confrontation. We have presented this successful and interesting seminar with rave reviews and a high satisfaction level. Seminar topics include: home, automobile, phone, technological, travel, and personal security. You will be shown a variety of common-sense crime prevention and personal safety strategies and devices that YOU may integrate into YOUR daily life.

The Detroit Sportsmen's Congress Women of Aim are sponsoring a **Refuse to Be A Victim[®]** Seminar on **March 23 from 7 to 10 p.m.** – let us know if you wish to attend!!
