

NRA/VFW National Postal Winner - Eric Krynski

Eric Krynski has placed 4th in the Nation for the smallbore and air rifle postal competitions held for 2009. The matches are sponsored by the NRA and the VFW organizations across the United States. We are very fortunate to have the support of the Mt. Clemens Post 1794 for the last several years.

Eric joined our Jr. Rifle ranks in the fall of 2005 and acquired his NRA distinguished Expert classification in May of 2008. He has been one of the corner stones of our competitive team for the last several years. Eric has a shooting resume that is full of certificates, plaques, trophies, and medals in gold, silver and bronze. This young man is an example of a star athlete as he also excels in swimming, football and wrestling competitions. Eric's shooting skills and good sportsmanship has earned the respect of all of his team mates. He represents the DSC with honor and dignity wherever he competes. Eric and the team are currently participating in this year's NRA/VFW postal competitions, hoping for similar results. Congratulations from all of us on your very special accomplishment.
