FROM THE CHAIRMAN OF THE BOARD

As most of you know for the past few months there were empty Directors seats on the Board. These would have been filled at the February Board meeting, but that meeting was cancelled due to severe weather. The positions were filled at the March meeting. The Skeet & Trap committee rep is Jerry Eby. The Campground committee rep is Jack McDaniels. And the Pistol committee rep is Jerry MacDonald. I want to thank these gentlemen and the other two members that were not selected that stepped up to fill these important positions on the board.

DSC Club Email Lists News

Members, If you are not aware, our website hosting company no longer supports email lists. Therefore, our club emails lists are dead. Over the years, the club email lists have been a valuable tool for member communication and conducting committee business.

In researching a suitable alternative, we have settled on Google Groups. The Google Group function is similar to the email list, but with more advantages and features. You can join a group and get emails just like the old lists. Or if you prefer you can join the group without getting emails and view them on the website. This feature also lets you go back and look for an email you may have deleted accidentally. You have to sign up for each list you would like to join. This is required even if you were on the old lists. A full description of how to sign up is posted on the website under the website committee page. Additionally, the same information is on page 14 of this P & K.

Our very successful indoor league has come to a very exciting conclusion. A junior, Eric Eby had a 246.1 average edging Dean Burnett's 243.4 and taking 1st place honors. There were 17 shooters of which 6 were juniors. They all had a great time shooting and enjoyed a banquet to complete the league. Good luck and a get well soon to Amy Barger!!

Finally spring is here and our 8 week Spring 3D League is forming on April 19th. Sign up will begin at 4PM with a shotgun start at 6PM. There is a $100 fee for non-members, $50 for members. There will be Open 3D shooting on both Saturday and Sundays starting on April 24th, 9AM-5PM though September 26th.

Anyone needing work hours, we are holding work bees on April 5th and April 12th to finish setting the course. We will be meeting at 4PM until dark.

GOOD LUCK TO ALL TURKEY HUNTERS!!!
The cowboys didn’t have a match in February so there is no match report. March will bring the first match of the year and with it warm weather we hope. This year the cowboys will have some extra matches for everyone to enjoy. First up will be a silhouette match on May 15 after the committee meeting. Practice should start about noon with the safety meeting at 12:45pm. The match should take about 2 hours. Any pistol caliber lever or single shot rifle is welcome as well as 22 rim fire rifles. There will be classes for all rifles and ages. Standard velocity and lead bullets only except 22 ammo can be plated. Look for the flier on the web site. Also this year the cowboys will be hosting three 22 rim fire matches and a Wild Bunch match. Watch the web site.

Where did the western saddle used by cowboys come from? The western saddle originated in Spain, its evolution influenced by Celtic, Roman and Arabian/Moorish riding traditions. An offspring of the Moorish saddle or “saddle of the Conquistadores” the western saddle came to the United States via Mexico as a working saddle. The early Spanish settlers modified the saddle to make it better suited for working cattle. These modifications lead to the Mexican Vaquaro saddle which has remained unchanged since the early 1700’s.

In the west the saddle was not only a tool but a symbol of stature. Many cowboys didn’t own a horse but if they had their own saddle they could get a job just about anywhere. An average custom rig from a western saddle maker in the 1870’s could cost from $30 to $50 which was a lot of money when you earned one dollar a day. When properly cared for, saddles would last up to 20 years. Most cowboys considered their rig their most important possession. Over time the saddle was broken into the riders shape becoming more comfortable and achieving the “rocking chair fit” which made it even more valuable considering the hours spent sitting on it. There are many ways to rig a western saddle and they all had the local names like the Montana, California, Pueblo or the Sam Stagg but the most popular by far is the Texas rig. These saddles have a low wooden horn, slick forks, square skirts and double rigging. They were designed to chase wild cattle through heavy underbrush. That’s it for saddles. See you on the range.

Dequindre Road Cleanup
May 1, 2010  8:00 am

Need work hours?? Saturday, October 24, 2009 at 8:00am. at the clubhouse. It’s that time of the year again to fulfill our commitment to Shelby Township and Oakland County to cleanup Dequindre Road. We have to clean both sides of Dequindre from Avon to Hamlin Roads. This will enable the DSC to have road adoption signs posted on Dequindre. Signup sheets will be in the clubhouse and the office or you can signup by phone at 586-739-3500. We’re looking for our members to step forward to handle this civic duty for our club. See you then.

Yours in Conservation,
Bomber Martin

Spring has begun to show signs! You know what that means – it is almost time to open the camp grounds! Many of us are looking forward to April 1st and the official camping season to begin. The plan and hope is to have the water on and the bathroom open by April 1st.

Our deepest sympathies to families of Jim Peters and Sue Martin, both will be missed dearly by their DSC family. Get well wishes to Carleen Nowak, Diane LePage, Patti Mueller, Joann Windiate and Dave Bauman.

If anyone has not received any informational emails from Elaine this winter, it is because she does not have your email address, send it to her at Elainemm724@aol.com.

Ken LePage will be starting work bees soon, keep in touch with Dave to find out when they will start.

Elaine needs a couple people to update the campground information for the last 25 years, if you can help, let her know, the 75th anniversary committee needs a completed article by the end of April.

REMINDER: The next campers meeting will be April 11th, at the campground, at 11:30 A.M. Mark your calendar for the first meeting of the year.
If you have events or other information that you would like posted for the other campers to read in the article, please send them to campingcomments@aol.com.

The Rifle Committee meeting of March Fourth started off a little late at 7:34 pm at the Shot Gun Range building. The attending members had to shift south in front of the Pro-Shop as the Pistol League used the building’s north side. Everyone present was able to be seated. February’s meeting minutes were voted approved with just one change. The committee’s representatives reported without issues. Jim Parsons updated the group on the replacement purchase of the rifle range’s spotting scope stands. Randy Kaszeta stated that the Valentine Romance Novel Shoot was a success. The rifle committee congratulated Randy K. for his record breaking (four month) status as DSC Member of The Month. The meeting then adjourned at 8:11 pm. Please, see the DSC website’s Rifle Committee’s Documents page at the bottom center then click to open and review the new for 2010 Standard Operating Procedures. High Gun Top shooter this month is Dennis McKeough with 271 out of 300!
Dick Bates and Ron Baker came in second with 255 out of 300!
Dennis McKeough is also the high shooter this month for the Best round, 93 out of 100!

**5 Stand League:**
Team 2, (Ron Baker & Larry Sagowitz) are in first place with 20 points.
Dennis Boudia takes the High Gun honors with a score of 140 out of 150!
Ron Baker takes the 5 Stand best round of the month with a score of 46 out of 50!
Thank You!

The committee would like to thank the Board of Directors for approving the purchase of the new “Tilt Bases” for the LaPorte throwing machines. The bases are here and are being installed as we speak. These bases will allow us to tilt or swivel the machines without physically lifting or tilting the pallets the machines are mounted on.
The next Committee meeting is April 14th, 7 pm at the main clubhouse.

**New Hours:**
Spring is here! Sporting Clays hours changed on March 17th. The new hours are Wednesday and Thursday 10 am to 5 pm (last board) and Saturday and Sunday 10 am to 4 pm (last board).

**Ammo:**
We have secured a limited supply of 12 and 20 gauge Remington Gun Club ammunition. The member price for a flat (10 boxes) of either gauge is $65.00
The guest price for a flat is $70.00 Available at the Sporting Clays clubhouse.

**Here’s a thought:**
Each month the sporting clays course is changed. Sometimes only minor adjustments but sometimes Major changes are made. Some of the setups have been unique or at least different enough that you remember them. Those stations weren’t necessarily difficult or easy but they were memorable for some reason. One of my recent favorites was station 8 or nine last fall. This particular station had both machines throwing right to left. The “A” bird was a high “speedy” but the “B” bird was a zoomer, 10 feet off of the ground and passing only about 20 feet in front of you. It was set up so there was a big tree blocking your vision of the bird until it was only about 40 feet to your right. This sucker was moving so fast that it was almost impossible to hit. Then you had to quickly swing back to get the “A” bird before it made the woods. It took me awhile until I learned the trick. You weren’t going to hit the Zoomer before it passed you, you needed to take it as it was going away from you.
Everyone has a favorite. If you will email me a description of your favorite, I will ask Al if we could set up a station a month and post a “Suggested by ----” sign next to it. I don’t mean to cause Al and the committee more work but this might be fun?
My email is eka9992@aol.com. Let me know what you think.
SNOWSHOE OPEN

On February 21, Detroit Sportsmen’s Congress hosted its first registered skeet event of the New Year, THE SNOWSHOE OPEN. Temperatures of near 40 degrees for the prior week left the ground soft and muddy with a few puddles on the stations. With these conditions the shoot could have probably been named the Mudpuppy Open but truthfully I don’t think anyone was complaining. This was DSC’s first attempt at a 4 X 50 bird shoot. A 4 X 50 is when each competitor shoots 50 targets in each gauge rather than the standard 100 that is pretty much the norm at most registered events.

Nineteen competitors took to the fields to try and shake off their winter rust and have some fun in the process. The first gun to be shot was the 12 gauge and the good weather was reflected in the scoring. Rich (The Legend) Curlett was Event Champ with the lone 50 with Rich Gromek and Rick Trawinski Event 2nd and 3rd respectively with 49’s. Class winners were A-1 Ted Zolnoski, B-1 Rich Clor, C-1 Preston Benfield, D-1 Jimmy Dzieciolowski, and E-1 Jim Van Eaton.

The second gun of the day was the 20 gauge and again “The Legend” was the Event Champ again with the lone 50 X 50. Event Runner Up and 3rd were, Ted Zolnoski and Del Mahan with 48’s. The classes winners were, A-1 Frank Pantalena, B-1 Rick Trawinski, C-1 Rich Baker, D-1 Jim Van Eaton.

The 28 gauge was the next in line for our hardy band of shooters. For the first time today we have a different Event Champ, Rich Gromek posted a 49 X 50 to take the Event title. Runner Up and third were Rick Trawinski and Jimmy D (enough of spelling that last name) respectively with 48’s. Class winners for the 28 gauge were: A-1 Rich Curlett, B-1 Gary Scheiwe, C-1 Del Mahan, and D-1 the ever present Jim Van Eaton.

Last but not least the dreaded .410. Fortunately the weather stayed pleasant and we saw Rich Baker emerge as Event Champ with a fine 49 X 50. Runner up and 3rd went to Rich Clor and Willie Crawford. Class winners in the “pea shooter” were, A-1 Ted Zolnoski, B-1 Rich Curlett, C-1 Del Mahan, and D1 guess who, none other than the one and only Dr. James Van Eaton. Something tells me that he is not spending all his time fixing teeth.

With all the guns completed it was time to determine HOA Champ. After the tallies were in it was Rich Curlett emerging on top as Event Champ, Del Mahan was runner up while Rich Gromek took Event 3rd. The class winners were, A-1 Ted Zolnoski, B-1 Rich Clor, C-1 Rick Trawinski and finally D-1 Jim Van Eaton.

With the Snowshoe Open in the books it is time to look forward to the first of our major shoots of 2010, THE CLARK BROWN OPEN. This event will be the weekend of April 23,24,25 and it will be one you want to reserve your spot for, as we have gotten bigger and better. We hope to see everyone out on fields in April. Until then "Swing the gun, put the lead on the target, pull the trigger what is so hard about that”.

A dreary, rainy day resulted in the best attended, most successful Sporting Goods Show the Life Membership has held to date. Nineteen vendors rented 26 – 8 foot tables to display their wares and 275 paying attendees showed up willing to part with cash (if the price was right), for the items on display. This was our seventh straight sellout of table rentals and we have generated a waiting list at each show, for any table cancellations that occur.

Vendors were pleased with the turnout, the table arrangement, and the appearance of the newly renovated clubhouse. The windows, the lighting and everything in general were a bright spot for all concerned.

The Kitchen did well, the Bar did well, and the Sporting Goods Show did well, generating needed income for the D.S.C.

The Life Membership Committee would like to thank Archery, Black Powder, Cowboy, Pistol, Rifle, Shotgun and Sporting Clays Committees for donating Door Prizes to this event and we hope you see some new faces at your venue in the near future.

Our thanks to all of the volunteers that gave a hand in setting up the tables for the vendor layout (6:30 AM) and returning the tables to the original locations (3:00 PM). A long and fruitful day for the D.S.C. Our next show is scheduled for Saturday, September 25, 2010.

NRA/VFW National Postal Winner - Eric Krysinski

Eric Krysinski has placed 4th in the Nation for the smallbore and air rifle postal competitions held for 2009. The matches are sponsored by the NRA and the VFW organizations across the United States. We are very fortunate to have the support of the Mt. Clemens Post 1794 for the last several years.

Eric joined our Jr. Rifle ranks in the fall of 2005 and acquired his NRA distinguished Expert classification in May of 2008. He has been one of the corner stones of our competitive team for the last several years. Eric has a shooting resume that is full of certificates, plaques, trophies, and medals in gold, silver and bronze. This young man is an example of a star athlete as he also excels in swimming, football and wrestling competitions. Eric's shooting skills and good sportsmanship has earned the respect of all of his team mates. He represents the DSC with honor and dignity wherever he competes. Eric and the team are currently participating in this year's NRA/VFW postal competitions, hoping for similar results. Congratulations from all of us on your very special accomplishment.

NRA Sectional Report

The DSC hosted the NRA Junior Sectionals the weekend of February 27th & 28th 2010. The Sectionals attracted young riflemen and women from as far north as Sault Saint Marie and as far west as Sturgis Michigan. The results from this match will be combined with Sectionals held throughout the rest of the country to determine the National Indoor Champions for Olympic Style Smallbore and Air Rifle events.

The match started with the 4 Position Smallbore event with DSC shooter Anne Sullivan striking Gold early. The win was close as the top three shooters were only separated by a single point. Another DSC junior, Eric Krysinski claimed Bronze in a tie breaker with the Silver Medalist from Bay City. Demetri Duey, also from the DSC, won the 2nd Intermediate Junior (IJ) award. The team award went to the DSC.

Eric Krysinski continued his medal winning ways with another Bronze in the 3 Position Smallbore event. Anne Sullivan and Sabrina Krafft won their classes of IJ and junior respectively. The team award again went to the DSC.

Medals eluded DSC shooters in the 3 Position Air Rifle event, however, Anne Sullivan did bring home the 1st IJ award. DSC shooters also won the team event.

Sabrina Krafft and Anne Sullivan won their class awards in the International Air Rifle event but the DSC shooters were just shy of the medal hunt. The DSC Air Rifle shooters held off a threat from a determined Sault Area High School Team to win the team award and a sweep of all four events!

CONGRATULATIONS DSC JUNIORS!

DSC ~ Club Google Groups Rules

The DSC utilizes Google Groups to facilitate communication between DSC members. These groups are restricted to members only. If you would like to join a group, go to the DSC website and to the website committee page (http://ds-c.org/website/index.htm). There you will see links to subscribe to the group of your choice. You will not be added immediately. You will get an email stating that you have requested to join the group. After you reply to the email with the correct information and you are approved, (verified by the office that you are a member in good standing) you will get a confirming email. You can then send and receive emails to the group. Unsubscribe information is on the bottom of every email.

You must subscribe to a group, to send an email to the group, this prevents SPAM.

Members joining any group are also added to the DSC (general group) by default. This allows emailing everyone subscribed to any group, with one email. They will receive only one email even if they are on more than one group.

Example: You join the rifle group. In order to send your message to everyone in the rifle group, you send your email to “dsc-rifle@googlegroups.com”. If you only join the rifle group, you cannot send to the pistol or any other group. You would also have to subscribe to the pistol group.

If you wish to email only a single committee, you may do so by emailing just that committee group. To email everyone on all groups, use the DSC general group. Also, if you send email to dsc-general@googlegroups.com, everyone who subscribes to any group will get one copy of your email, regardless of the number groups to which they are subscribed.

All of the groups have a home page that will maintain a copy of all the emails until a manager has deleted them. This was not available with the old system. Therefore, if you want to look back at the ongoing conversation you can go to the group and review all the emails.

Example: Archery emails (information) can be accessed by going to http://groups.google.com/group/dsc-archery or they can access all of their groups by going to http://groups.google.com.

RULES:

- The groups are for club and related information only. The groups including the DSC general group can be used to sell guns and related items to other members, league information, regulations, club notices or subjects pertaining to the DSC operations. You can ask questions, seek advice and use the groups to get more involved in the club. The committee groups are not for the joke of the day, political (gun related or not) or any other “off topic” items.
- You must sign all your emails with your full name. You cannot use nicknames, abbreviations such as “Joe X” or just an obscure email address.
- Disregard of the rules, inappropriate, offensive or derogatory emails can result in removal from the groups and action by the DSC Board of Directors.
- Discretion should be used with all emails as all groups are monitored.
- Remember, once it is in writing anyone can read and forward it.

2010 DSC Smallbore Silhouette League

LEAGUE TYPE:
NRA Smallbore Rifle Silhouette: Silhouette Rifle and Hunting Rifle categories – see http://www.nrahq.org/compete/RuleBooks/SIL-R/sil-r-index.pdf for restrictions. League is open to DSC full members and associate members, only. Full members may bring a guest who may also shoot.

DATES:

LOCATION:
DSC 200 yard Rifle Range, 49800 Dequindre, Utica, MI

STARTING TIMES:
Tuesdays: Shooting begins at 6:00pm
Saturdays: 4:30pm sight-in begins. Shooting begins PROMPLY at 5:00pm.

COURSE OF FIRE:
The NRA Smallbore Rifle course consists of:
10 chickens at 40 meters
10 pigs at 60 meters
10 turkeys at 76 meters
10 rams at 100 meters

Each set of animals is shot in two banks of 5, one shot at each target. There is a time limit of 2 minutes and 30 seconds to fire 5 shots. All shooting for score is from the offhand position.

REGISTRATION/FEES:
You need not join the league to come out and shoot the course of fire, but league shooters will be given preference if we have a full line. A one-time (annual) league fee of $40.00 is due prior to the start of the season. An additional $50.00 fee will be assessed for associate memberships. The league fee covers the league banquet and door prizes, which occurs at the end of the season. Range fees are $6.00 for members and $11.00 for guests, payable prior to the match. If a full member wishes to participate in the Sporting Rifle or Service Rifle leagues, no additional league fees will be charged. Every shooter also pays a $1 Environmental fee, in addition to the Range Fee.

LEAGUE SCORING:
A competitor's highest 10 scores will be used to determine league standings. Awards will be given to the high scorer in the Master, AAA, AA, and B classes in both Smallbore Rifle and Smallbore Hunting Rifle. Spotters are strongly encouraged, as a competitor should not score his own card. Practice scores may be shot, if it will not displace a competitor from the line who is shooting for record. All record scorecards must be turned in to the R.O. upon completion of the match.

NOTE:
This is a lot more fun and relaxed than the formal rules make it sound. Come and try it!
