Camping Comments

BY: Lynn Zmich

Well the time has come, the end of the camping season. The snow birds have started to head south and some campers have started to close their trailers. The official season was brought to an end with a wonderful Labor Day weekend. Kellie and Barb did a wonderful job putting on the youth carnival! Fun was had by all. They thank everyone who helped out! I would also thank those who helped with closing ceremonies, especially Ron Pardiac who put together the tradition of the boats coming in on the water! If you enjoyed the slide show please send me pictures for next years!! campingcomments@aol.com . Dave also expressed his appreciation to all the people who helped during the year and Elaine was also appreciative of ALL the helpers this summer! The campgrounds would not be what it is with out all of you!!

The electrical plans are still underway so please be sure that your trailer and shed can be moved if needed. Hunters will be allowed into the campgrounds, but you may have to park at the dumpsters pending the progress of the electrical. The bathrooms are slowly progressing. It is close to election time for the club. Royal has stepped up to be on the election committee. Please let Royal know if you are interested in running for any of the open positions. Reminder if you find a club lock on your boat, this is because you have not paid your boat slot fee. The lock will not be removed until you pay your fees. Water will be turned off mid to late October - weather pending.

A speedy recovery to Paul Hoffman and to Charlotte after she had to have another surgery on her knee. Best Wishes from our DSC family.

If you have events or other information that you would like posted for the other campers to read in the article, please send them to campingcomments@aol.com.

Sporting Clays

By Ed Alward

In September Walt Woodard left the Sporting Clays Pro Shop. Walt took over the shop when his daughter "Katie" left on maternity leave nearly a year ago. Under Walt's careful eye, the Pro Shop has improved in service, services, product displays, merchandise, cleanliness and many other aspects. Because of Walt's changes, the Pro Shop has become profitable, exceeding any other period in its history. Undoubtedly, there are other persons also responsible for the improvements, but like so many other unsung heroes in our club, they have preferred to stay in the shadows and give their time graciously.

Good by Walt. We will miss you! We wish you great success in your new job.

My apologies to everyone. I fell down on my job again; The September submittal for the P&K was too late to be published so I am submitting it again this month..

On July 30th, 2 women Kayakers were rescued from the Clinton River when their kayaks overturned in the swift current following the heavy rains Friday night. Member Bill Ray heard their calls for help and reported it to Walt Woodard who dialed 911 and gave Bill his telephone while he went to help. Bill placed the call and caught up with Walt. One woman had already been rescued by Eric & Grant Chenowith. The other woman was trapped on a log jam about 100 yards down river. Shelby Fire and Rescue was able to rescue the woman who appeared uninjured and was released after examination by paramedics.

On July 31st, two women flipped a rental canoe at the north end of DSC property. Al McGee spotted them on the Sporting Clays trail and took them to the Sporting Clays Clubhouse to warm and rest. He then gave them a ride home.

Obviously we have some very courageous members in our midst and I'm sorry if I missed any names. We all need to reinforce their actions by giving all involved a big pat on the back and a hearty "Ata Boy!" for their courageous actions.

This month we have a written apology from Al McGee to all who inquired why the course had not been changed in August;

Dear shooters,

I sincerely apologize that the course did not get changed this month. There was a bad hydraulic cylinder on the Bobcat that had to be repaired. Once the Bobcat was fixed, the day we were going to change the course, it had rained heavy the night before and the course was very soggy. I did not want to tear up the ground with the Bobcat by moving the machines. Then to top off everything, I had to put my mother in the hospital.

I appreciate your patience and understanding."

Al McGee

Al is one of those guys that make Sporting clays run smoothly. We all know how hard he works. Maybe we could all give Al a "thank you" for all he does and a get well wish for his mom.

At this point I usually list the scores for the month but they are always posted in the club house so, unless I hear from some members who would rather see their name in the P&K, I will save this space for other stuff.

Kids Christmas Party

Christmas time is here again. That is the DSC Kids' Christmas Party. Planning and fundraising have already begun for this annual holiday celebration. It is set for Sat., Dec.17, 2011 from 10 a.m. to 1 p.m. We are looking for a new volunteer to train as the event chairman. After seven fulfilling years, the current chairman is stepping down.

Children, newborn to 12, and their parents and/or grandparents are invited for breakfast, games, singing carols and welcoming Santa. Each child will be able to visit with Santa, receive door prizes and a present from the DSC. They will also have the opportunity to buy tickets to win one or more of the great raffle prizes we offer each year. Sign-up forms will be available in the P & K, DSC Office and Clubhouse or the website.

This year, as in past years, each DSC Committee is asked to donate a raffle prize, or cash equivalent, worth approximately \$50. This gives us a greater diversity of raffle prize choices and helps defray the cost of the event. We've seen prizes range from telescopes, BB guns, fishing poles and bikes to dollhouses, a giant Lego pirate ship and electronic toys. Each and every donation is greatly appreciated.

We need your help. Volunteers are needed to coordinate this event which includes compiling gift/raffle inventories and attendees' lists on Excel, reviewing sign-up forms, shoppers, gift wrappers and members to setup and then help on party day. These are all easy ways to earn your work hours!

Dedicated shoppers are needed for early Black Friday morning (the day after Thanksgiving)! We get more value for the money we can spend on each child that morning. There's nothing like shopping for great deals for the children and getting work hours to do it!

The Present Wrapping Party is scheduled in the Clubhouse for Sunday, Dec. 11, 2011 at 2 p.m. (another way to accumulate work hours). You only need to show up with a pair of scissors in hand and we'll put you to work.

The party set up is the evening of Dec. 16 at 8 p.m. in the Clubhouse. We can arrange and prepare the tables and put the gifts in order Friday night to eliminate being rushed the next morning.

If you would like to volunteer, donate items for the party, or need more information, please call (586) 801-0081.

2011 TED HANAFORD / GREAT LAKES OPEN

Rick Trawinski

On August 5th, 6th and 7th The Detroit Sportsmen's Congress hosted the 2011 Ted Hanaford / Great Lakes Open. The team of Pete Pantalena, Rick Trawinski, Frank Pantalena, Kristen Pantalena and help from volunteers, the club was ready to host its premier shoot of the year.

The shoot began on Friday with a portion of the Doubles competitors taking the field to try their luck. The weather cooperated and about $\frac{3}{4}$ of the shooters recorded their scores. On Saturday morning the balance of the Doubles scores were recorded and the results were totaled. The "MEC" Doubles Champion was Jim Nierzwick with a fine 98. Event Runner Up and 3rd was determined by a shoot-off with Bruce Christian from Indiana defeating Bob O'Brien. Class winners were AA Denny Tanis, A, Ross Szarenski, B, Greg Mahalak, C, Kent Dolmyer, and D was Garrett Curlett.

As the smoke was clearing the 12 gauge competitors started taking the field. With the weather being very good the scores began coming in and they were pretty indicative of the weather. 3 100's were posted along with a bunch of 99's and 98's.

After the shoot-off Bruce Christian emerged as the "Medical Weight Loss Center" 12 Gauge Event Champion. Runner up was, first 100 shooter Mike McDade and Pat Wusthoff was 3rd. Class winners in the 12 gauge were, AA, Denny Tanis, A, Rich Curlett, B, Ken Cochran, C, John Hinternish, D, Tom Fudold and E, Sharon Barefoot.

After lunch the 28 gauge event got underway with the threat of a bit of weather threatening the shooters. The first flight of shooters got their rounds in with the second flight not as lucky. The scores were still fairly good with Pat Wusthoff posting his second 100 of the day and taking the "Family Dentistry" 28 Gauge Event. Runner up and 3rd was again decided by a shoot-off of 99's and Jim Moll was victorious over Bob O'Brien. Class winners were AA, Bruce Christian, A, Ross Szarenski, B, Greg Mahalak, C, Kent Dolmyer and D, Tom Fudold.

With Saturday in the books, Sunday held hope for all the competitors and what a better way than with the 20 gauge. A pair of 100's highlighted the morning competition with Bob O'Brien winning the "Kick Eez" 20 Gauge Event title and Jim Nierzwick taking runner up. 3rd went to Pat Wusthoff missing his third consecutive 100 by 1 target. 20 Gauge class champions were, AA, Bruce Christian, A, Rich Curlett, B, Mary Jo Birka, C, Kent Dolmyer and D, Garrett Curlett.

Last but not least was the .410 Event. For the first time this weekend no 100's were posted but there was some "smashing" scoring none the less. The "Clay Delay" .410 Champ was Pat Wusthoff with a fine 98. Bob O'Brien was runner up with Ed Howe taking event 3rd. Class winners were AA, Bruce Christian, A, Chester Kowalski, B, Robert Refice, C, Mary Jo Birka and D was Tom Fudold.

Now to total up the HOA and HAA results. The "Lawry Shooting Sports" HOA Event Champ went to Pat Wusthoff with an excellent 397. Bob O'Brien from North Macomb Sportsmen's Club was Runner Up and Bruce Christian from St. Joe Valley was 3rd. Class winners in HOA were AA, Dave Ewers, A, Ed Howe, B, Greg Mahalak, C, Kent Dolmyer and D was Tom Fudold. The "Hodgdon Powder" HAA title goes to Bob O'Brien with Bruce Christian and Jim Nierzwick runner up and 3rd respectively. Class winners go to A, Pat Wusthoff, B, Greg Mahalak, C, Kent Dolmyer and D, Tom Fudold.

The final "competition" of the weekend was "The Cowboy Way" Handicap Watch Shoot. The Champion was Jim Nierzwick with Bob O'Brien runner up and Kent Dolmyer 3rd. At this time we would like to thank our other sponsors "Briley", "Paxton Arms", "Lonesome Charlie's", "Magna-Port", "Decot Sport Glasses", and "Weingartz" for their continuing support.

Last but not least we want to thank all our volunteers for with out whose help we could have not made our shoot the "Event" it has become. We hope to see everyone next year!

Cowboy Action

By Jim Estes

The cowboys had two matches in August. The first weekend was a Wild Bunch match with 16 cowboys from Michigan and Ohio trying to out due each other. Coyote Claxton was the number one DSC wild bunch cowboy. The third weekend was a regular cowboy match. The top DSC cowboy was J.J. Longley. Congratulations to both for a fine showing at the range. The cowboys will have two matches in October again. The first, a Wild Bunch match will be on Sunday October 2nd. The cowboy match will be on Sunday October 16th. The weather is nice now that fall has arrived. Bring the family out to watch the calendar get turned back 125 years. All the cowboys will be in 1880's costume.

Labor Day weekend was the cowboy state championship at the Blue Water Sportsman's Association near Port Huron. The match starts on Friday morning with a cowboy mini match and a Wild Bunch match. Then later in the day there will be speed rifle, pistol and shotgun matches along with a long range side match. This year 227 cowboys and cowgirls shot the state match. Five DSC cowboys shot the Wild Bunch match. Congratulations to Beaver Creek Boy who came in eighth overall and the number one DSC wild bunch cowboy. The only DSC cowboy to collect a prize for placing in his class in the regular cowboy match was Coffin Nail Bob who got a 5th place plaque in the Frontier Cartridge Duelist class. And finally three DSC cowboys shot clean (no misses for 260 shots). Beaver Creek Boy, J.J. Longley and Terrebbonne Bud are the three amigos who shot straight for the whole weekend.

The October 16th match is our annual Chili Cook Off match. Make a batch of your favorite chili, come out to watch the match and enter your chili in the contest. The categories are regular chili with red meat, white chili, no bean chili, fowl chili, hottest chili and no meat chili (vegetarian).

Women of Aim

By Pat Anderson

The Women of Aim have ended their season on the Pistol range on Mondays. We thank all who joined us during the summer. Look for us again next year.

Just a note on our last Pancake Shoot – we had 32 people participate. That was a super record for us. Join us again next spring for more fun and great shooting.

A Refuse to Be A Victim Class is being co-hosted by the Women of Aim and the Education Committees. The class will be held October 25, 2011. It is being offered for the first time at DSC for both men and women. This is an excellent self-protection class for anyone, but especially those who do not want to carry firearms. Tell your friends, neighbors, relatives about this class. Even if they are not gun-friendly – maybe especially if they do not arm themselves – this is a perfect class for them. It is a wonderful class for couples, also, so they can help reinforce each other in diligence and watchfulness. This class is chock-full of non-firearm methods of self protection and awareness. It has been quite successful each time it has been offered at our club. Call the DSC office or pick up a reservation form from the racks in the Clubhouse or range buildings.

The Women Of Aim Bake Sale scheduled for November 2 will be an additional fund raiser for Brian Thompson, the nephew of Joan and Ralph Hollowell who has been diagnosed with stage 5 kidney failure. Please come to the General Membership meeting that night and purchase our home-baked goodies. All proceeds will go to this very good cause. A main fund raiser will be held October 23 in the form of a Sporting Clays event and a spaghetti dinner at the clubhouse. Be sure you participate in those fund raisers as well.

We continue to support, along with the Education Committee, the DNR Becoming an Outdoor Woman program. We have held introductions to Archery, Shotgun, Pistol and Sporting Clays with great success. Upcoming classes will be posted on the DNR website and any woman can register though the DNR.

We are happy to have any interested women join us in our efforts. We meet on the third Thursday of the

Rifle Committee

By Jim Le Beau

On Thursday, September 8th, 2011 at 7:38 pm the monthly Rifle Committee meeting got off to a late start at the DSC clubhouse. The attendance was great with a lot of questions for the Committee Leadership and Sub-Committee Representatives reporting. August's 2011 meeting minutes were approved with one revision by a unanimous vote from the members present. The meeting then adjourned at 8:32 pm by a 100 percent yes vote of the attendees. Please, see our committee meeting minutes for all Rifle Committee issues, reports, budget plans, and financials.

The 2012 budget will be discussed at the October 6th, 2011 committee meeting so, have your items ready to present. All inventories are due for D.S.C. board submission on January 2nd, 2012. Congratulations to the Rifle Committee's new representative Dennis Studer to the D.S.C. Board of Directors. Dennis is replacing fast-tracker Jerry MacDonald, the newest D.S.C. Trustee. A thank you goes to Jason Philp for taking up the task of Rifle Committee Safety Representative. Bill Mrdeza is extending his stay for a few more days passing all the procedures and protocols on to Jason. Thanks again Bill and Jason. Now, that the D.S.C. Rifle Leagues have completed their shooting schedules for the year. High Power, S.B. Silhouette, Small Bore, and Sporting Rifle all may look forward to the Rifle Committee Banquet in December. Nice shooting everyone. The rifle range is now very busy with Public Open Sight-In operating at full swing. If the crowds at the end of September are any indication, October attendance and the 2011 hunting season may be a record. Range Safety Officers these are the times on the range that all must be extra, extra vigilant of anyone attending public open sight-in. It can be very hectic when there is a large population of new shooters who need individual attention. Please be patient, careful, fall back on your training and things will go well without incident. Thanks to, all Range Safety Officers for your commitment to safety. Jim Delaney is accepting application for his Michigan DNR Recreational Safety Instructors Course for Hunter Education Instructors certification. Classes will be held December 6th, 13th, and 20th, 2011 with a fee of Ten Dollars. For an application see the also offered caption on the NRA Certification Class form listed for December in the Education Committee's section of the DSC web site. Range Safety Officer recruits, the last for this year's Range Officer NRA Certification course is scheduled for December 11th; 2011. Please, refer to Education Committee's schedule on the DSC Web Site for all the current dates, times, and locations of training sessions, classes, and certifications offered.

On the rifle range Deer Season Sight-In public hours are 12:00 pm to 4:00 pm Weekdays and 11:00 am to 4:00 pm Saturday & Sunday until December 4th 2011. Don't forget to check the Rifle Committee's calendar on the DSC website for current dates and times of range usage. A Lever Action Rifle Woods Walk Target Competition will be held by the Black Powder Committee on their range. It is scheduled for Saturday, October 9th, 2011. Please, click on the Coming Events category on the D.S.C. website for the B.P. flyer of all the scheduled woods walk competitions. The Junior Rifles are competing in the basement range Fridays at 7:30 pm. On Saturday September 10th, 2011 the DSC open house had many visitors. Thank You to all the Riflemen who worked on the range and the display tables at the club house. Below are just a couple of the rifle display pictures.

CCW Practice to Resume

CCW practice will resume on designated Sunday evenings from 5:00 to 7:00 P.M. commencing on October 9, 2011 for Intermediate Shooters, and October 23, 2011 for Basic Shooters. This year, the Novice Orientation will be held on October 16, 2011 from 5:00 to 7:00 P.M. Practices this year will be held in the months of October, November, December, 2011; and January, February, March, and April, 2012.

Practices are held in the basement range and are limited to club members who hold a Michigan CCW permit. Practices are scheduled as follows:

2nd Sunday of every month - Intermediate Shooters. These are persons who have been previously designated as intermediate level, or who were regular attendees to last year's basic level practice sessions and were upgraded to Intermediate level at the conclusion of last season.

4th Sunday of every month - Basic Shooters. These are persons who attend the October 16th orientation, and begin their practice session the following week. It also includes last year's basic level shooters who were not REGULAR attendees to the practice.

October 16, 2011, 5:00-7:00 PM - Novice Orientation. This is an orientation that persons who haven't attended the practice must attend prior to attending their first practice. There is no exception to this policy for any reason. Orientation is held once a year.

NOVEMBER GENERAL

MEM-

Basic Defensive Pistol Practice

Where: Detroit Sportsmen's Congress-outdoor pistol range

When: Wednesday's 5pm to 8pm weather permitting

Fees: Are the same as open shooting.

For beginning/CPL/basic handgun users: who want to use and get some practice while using their carry weapon, ammo, and holster as well as yourself to find out how everything works together...this is very important! Your life depends on it!

If a SHTF event happens---- EVERYTHING HAS TO WORK! POSITIVELY!!!!

Equipment needed for Basic Defensive Pistol Practice:

The self defense pistol/revolver that you use, a Strong side holster that covers the trigger that will be at your strong side at the 3 o'clock position. Ammo needed 150+ rounds-you can use less if not enough ammo is available.

We will discuss handgun topics regarding basic usage. An orientation will be given to all new shooters to make sure presentation from the holster is safe for all. During this time we evaluate a shooters skill level and coach more if more practice is needed. And then we discuss range commands and safety issues here at DSC.

This practice will not use competition time or scoring, But we do encourage marksmanship! We only use a timer to start the planned shooting course of fire. We practice shooting from cover, shooting on the move forward and back, right to left and shooting in transition diagonally left to right and right left. We practice malfunction drills and how to clear them. We also on occasion set up a stage similar to IDPA a let you see how well you do in a situation.

You are NOT required to attend all the practices. You can show up anytime between 5pm and 7pm and get the orientation, but the sooner you are here the more practice shooting you will get **J**!

We use International Defensive Pistol Association rules (go to www.idpa.com for more info) to establish a safe range and conditions to keep every one safe.

At DSC Safety is our main concern! Even though we use IDPA rules, we want to take the pressure of competition out of the way so you can learn the basics safely.

Remember Concealed Carry is a serious responsibility! It's up to you to get the practice you need to keep your skill levels sharp!
