

DSC Members Make Skeet Teams

Three members of Detroit Sportsmen's Congress have been recognized by the National Skeet Shooting Association (NSSA) and the Michigan Skeet Association (MSA) for their fine shooting in 2008.

The NSSA recognizes Rich Curlett and Francesco (Frank) Pantalena on the Class B All American Team. Frank has been shooting registered targets for 8 years. Rich Curlett has been shooting in competition since 2003 and previously made the NSSA All American Rookie team. Their fine shooting in their class in 2008 has brought them this honor and national recognition.

The MSA also recognized our members for their fine shooting in 2008. Rich Curlett's recognition comes for shooting skeet doubles, while Frank Pantalena made the .410 bore team. Pietro (Pete) Pantalena, Frank's son made the state's 28 gauge team, Pete has been shooting registered targets since 2001, and is the Registered Shoot Chairman at DSC. All three are some of our clubs finest skeet shooters. Congratulations go out to our members on their fine shooting.
