

ANOTHER WHIZ-BANG SUCCESS
FALL SPORTING GOODS SHOW

The Fall Sporting Goods Show was the **BEST YET**. Thanks to the additional space being gained in the clubhouse renovation and Bill Saylor's new table layout, we had more tables and easier traffic flow.

A record number of vendors rented all of the tables and a record number of paying shoppers (247) made most of the vendors happy by parting with some green stuff. Dennis in the kitchen had a good day, as did Ellen serving liquid refreshments.

Our thanks to Bonnie and Sandy in the office for answering vendor inquiries and collecting table rental fees; Cleddis Puckett for providing security duty, as well as collecting admission fees; Vickie Ford our photographer; Mike D. for posting and sign retrieval; Jerry Eby; Dave Duey; Dennis Hovatter; Don Kew; Arnold Schultes and all that helped return the tables & chairs to Ellen's desired locations for a party later that afternoon.

Thanks to all of the committees for donating door prizes, We heard many positive comments from prize winners and hopefully you will see some new faces at your venue, in the near future. A listing of prize winners will appear elsewhere in the P&K. Also, check the DSC website.

Our next show will be Saturday March 13, 2010. This was our sixth sellout (we also had a waiting list) and we will continue to try and improve the results of each and every show. Thanks to each of the vendors and each of those attending and making this show a rousing success.
